

FOX FRESH-MESH® COMBO

Benefit from the best qualities of film and mesh! With the industry's leading Fox Fresh-Mesh® Combo bag, you'll love its perfect combination of efficient machine packing, high breathability, and high graphic poly front. From packing lines to the retail shelf, Fresh-Mesh® Combo bag is our customers #1 choice.

Benefits:

- Poly film side promotes maximum branding space
- Patented, rounded "J" bottom provides additional print space and added bag strength
- Optional draw tape closure offers easy-to-carry and recloseable convenience to consumers
- Fox Fresh-Mesh® extends shelf-life by letting the product breathe better because moisture and air can easily pass throughout the bag
