▲ **FOX FRESH MESH® LINE OF BAGS**

Our innovative line of mesh, poly and combo mesh/film bags provides unique benefits to packers, retailers and the consumer. No other bags on the market showcase the natural beauty of the product while prolonging shelf-life AND maximizing packaging efficiencies.

Retailer Benefits

- Beautiful produce displays with sturdy, color-enhancing, Fox Fresh Mesh® fabrics and high graphic print bands and poly film
- Decreased shrink because produce can adequately breathe
- Bags are easy to rework and close
- Ultra Shield bags are designed to protect potatoes from light-induced greening

Consumer Benefits

- Convenient easy-to-carry handles on the draw-tape bag
- Small portion portability with the Stand Up Combo® Bag
- Durability to resist tearing and breakage
- Reduced food waste because fresh produce items stay fresh longer

Recloseable | Reusable | Recyclable
