

# FOX Roll Stock

Fox Packaging introduces **Fox Roll Stock** for increased compatibility with automated operations, particularly Vertical Form Fill Seal packing lines.

This material combines a high-graphic center strip label with our signature non-abrasive Fresh Mesh material for extended product shelf-life. Fox Roll Stock is made from fully recyclable material that satisfies retailer mandates for sustainable packaging, while also maintaining product protection and ample branding space to set your products apart on the store shelf.

**Poly roll stock also available**
