

Fox Poly

A standard, go-to solution in produce packaging, our wicketed **all poly bags** allow for full print on both the front and bag of the back for maximum branding and product messaging.

Automate your poly bag lines with the FSDWB4 Dual Wicketed Bagger.

- Packs up to 50 bags per minute
- Full polished stainless steel
- Works with poly, poly/mesh combo or full mesh wicketed bags
- Couples with all existing weighers and counters
